Re: **Elsewhere**

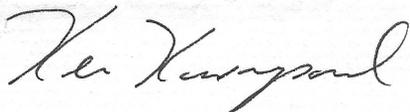

Dear Michael & Marc:

Thanks for sending me the **Elsewhere** CD. I really enjoyed checking it out and looking at the cool cover art!

While I think "**Fading**" and "**Outbound**" are the standout cuts on the CD and I like their energy and the sense of urgency conveyed, honestly, I just don't hear either of those as being a major breakthrough hit for today's ultra-competitive Mainstream or Modern Rock Radio formats. Since that is essentially our criterion when considering potential artists, we will unfortunately have to pass.

I am sorry the news isn't better, but I know you were looking for honest feedback. I wish you both the best of luck with **Elsewhere** and with all of your current and future projects.

Sincerely,
